

Prefabricated Brick Arches

Our prefabricated brick arches are made to order and "ready to install". Available in either, a) Fully structural, concrete back, or b) Lightweight back (designed to be used together with site supplied steel lintel). We have several standard designs or a bespoke design service to suit your needs.

Brick Cutting Services

and Specialist Building Products

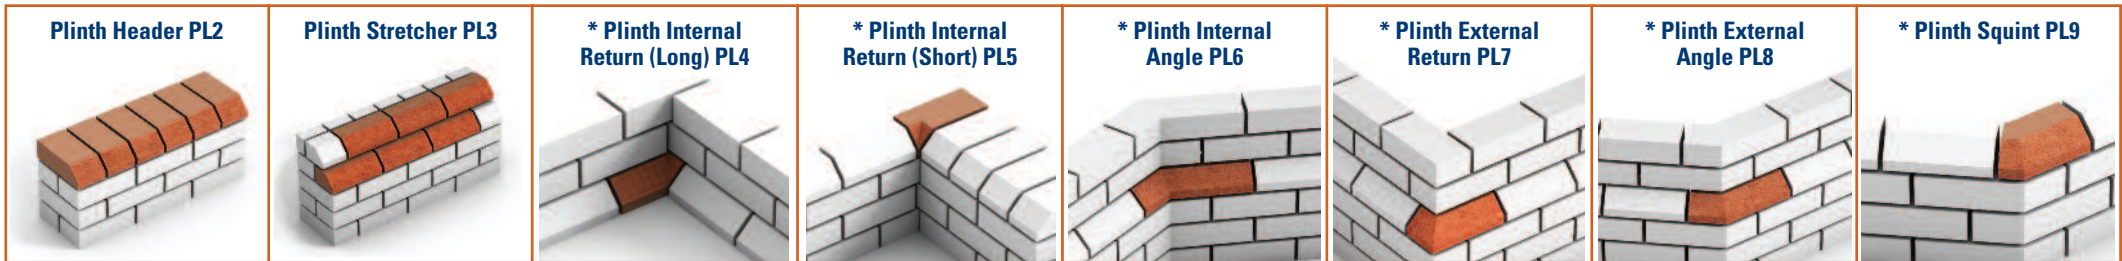

Bricks2size is a local company offering a bespoke brick cutting service, plus a range of specialist building products including, cast stone, bricks and roofing tiles.

Prefabricated False Chimneys

Our prefabricated false chimneys are made to order and come with the CGMA certification and a NHBC 10-year warranty. We have both standard designs or a bespoke design option to suit your needs.
